

Share your opinions on Chiloquin's future parks & recreation needs

The City is creating a plan that will prioritize improvements to Chiloquin parks and recreation facilities and services. The plan will guide the City's funding and partnership efforts for the next 20+ years starting as soon as spring 2024.

But first, the City needs to understand the community's park and recreation needs and desires. **What do you want for Chiloquin? Make your voice heard!**
