[Update from Sierra Service Project \(SSP\)](#)

The Sierra Service Project has been serving the Chiloquin community since 2013. They've assisted many residents with home repairs including roofing, ramps and porches, painting and other general home repairs. Unfortunately, SSP is unable to come to Chiloquin again this year. See SSP's response...

Sierra Service Project Summer 2021 Update

Update from the SSP Executive Direction on June 4, 2021

Unfortunately, the Sierra Service Project (SSP) 2021 summer plan is the same as last year; keeping the program online for youth.

Although more people are vaccinated now, we weren't able to pull off an in-person summer due to...

year's Farmers Market.

This is not a decision we have taken lightly, but we are committed to do our part to help protect our vendors, customers, and the community members as a whole.

Due to increased and overwhelming concerns about the COVID-19 virus, the rules and regulations for sanitation and personal safety distancing have become extremely burdensome and costly.

We are very disappointed that we are unable to hold this event for our residents and community members at this time but we know it is the right decision based on the information we have today.

City Council members are exploring options to open the event in the coming months.

Oregon Farmers Market Association rules and regulations can be found at: <https://www.oregonfarmersmarkets.org/covid-19>

born in Eugene, Oregon

He was born at the Queen of Angels Hospital, Los Angeles in 1962 and shortly thereafter relocated to Oregon with his family where he was a lifelong resident of Chiloquin. He attended Chiloquin schools to the 2nd grade, then worked his first job at a truck stop in Bly.

Jeff loved all music and he was an accomplished heavy metal guitarist and song writer. He taught a select few the instruments of which he loved, his father having given him the gift of music.

Jeff preferred with several different bands over a fairly good period before falling victim to epilepsy, but still continued to work with different musicians which he had performed with over his life. Music was the soul of Jeff's being. He took many of his own creations written and recorded that will allow him to live on for eternity.

Having grown up in the home of a master mechanic, Jeff was able to help efficiently in the field of mechanics. He was always ready to help a friend or a stranger, even in difficult situations.

The center of his world was his beloved wife of thirty years Jeffrey Alan Shirley married Debra Marie Curtis on July 14, 2000. His two children, his numerous nephews and nieces, brothers and sisters. There were no better times than the family outings, camping, hunting, fishing, sitting around a bonfire at night playing acoustic guitar and singing with his family and friends.

In life and equation he preferred a smile to a frown and a laugh to a frown. Even at the end, Jeff was more concerned about the pain his family was enduring than that he would himself. The numerous doctors whom he he afflicted are too many to list. They are going to need a specialist to learn how to get an without him.

Jeffrey is survived by his wife Debra Shirley, daughter Sarah Shirley, her boyfriend Kellen Anable, son Cameron Daniel Shirley, sister Pamela Anderson, sister Carla Thomas, brother and sister-in-law Henry and Lisa Shirley, sister and brother-in-law Marie and Corey Allen, sister and nephew Francis, Jerry, Mark, James, Chris, Jesse, Bill, Travis, Lillian, and Aaron, and eleven great nieces and nephews, grand-nieces Kaitlin Pollock, Rainy Lottman, and Joseph Duffin, and
