

Broadband Advisory Committee

In today's world it is becoming increasingly important for everyone to have access to reliable, low-cost, high speed broadband Internet And

with new grants and funding becoming available for rural areas such as Chiloquin now is the time to bring high-speed broadband services to our residents within Chiloquin.

Update

This committee has ended and has been reformed under South Central Oregon Economic Development District (SCOEDD) to advance broadband Internet initiatives and activities for all of Klamath and Lake counties. For more information go to our [Broadband Projects](#) page.

If you would like to join these broadband meetings, please contact Levi Fuller at [levi \[at\] scoedd.org](mailto:levi@scoedd.org) (subject: Broadband%20Committee%20Meetings) or Krystal Stone at [krystal \[at\] stoneventures.net](mailto:krystal@stoneventures.net).

This committee was established goals and benchmarks, document existing infrastructure, identify potential grants and funding to develop a plan for providing high-quality, high-speed

broadband services to all Chiloquin residents.
