

Chiloquin Parks Committee

This committee will work on two projects. The first project will be the “pocket park” to be built in the city’s main parking lot. The goal will be to have it completed in time for the 2023 Farmer’s Market season.

The second project will be the development of a master park plan using the grant provided by the Oregon Parks and Recreation Department which we expect to complete in 2023.

More information on these and other projects can be found on the city's [Projects page](#).

All community members are welcome to be a part of this committee or to attend the meetings. Meeting notices will be posted on the city's [Calendar of Events](#) and on the city's [Facebook page](#).
