

Construction is officially underway at the HIRVI Building

News Release Date
12-05-2023

The HIRVI building restoration project is poised to breathe new life into this historic structure. This project, led by local building owners, is funded in part by a matching grant from the Oregon State Historic Preservation Office, Oregon Heritage.

Upon completion, the HIRVI Building will boast six professional office spaces and up to four unique retail spaces. These spaces, illuminated by the building's historic windows, will be available for lease in Spring 2024.

This restoration effort marks a pivotal stride toward inspiring future investments, fostering economic development, and expanding business space in downtown Chiloquin. By breathing new life into the HIRVI Building, this project will not only revitalize a historic landmark but also to bring additional services and resources to the heart of our community. This project is a significant step towards creating a vibrant and thriving business environment in Chiloquin

For more information or to lease space, visit hirvibuilding.com.
